

The book cover features a stylized illustration. At the top, a woman with brown hair and red-rimmed glasses is shown upside down, with her head inside a red U-shaped frame. Above her, a pink, teardrop-shaped object with a dotted pattern is being held by two hands. To the right, a pink speech bubble contains the text 'og han aldri forstår'. Below the woman, there are two stylized trees with green circular foliage on brown trunks, set against a light green background. In the bottom right, a man with a yellow face and a green hat with a blue band is shown from the chest up, wearing a dark grey shirt. A white speech bubble to his left contains the text 'Hvorfor hun alltid snakker,'. At the bottom, the text 'Forstå din partner bedre' is written in a cursive font, and 'LILLE MÅNE' is printed in a bold, sans-serif font.
